The Sree Mookambika Institute of Medical Sciences, belonging to the Sree Mookambika Institutions, belongs to the "The Padanilam Welfare Trust", formed in 1992, to promote social vision focussed healthcare services for the marginalised communities and tribals, the welfare of the minority Malayalam speaking community in the region, and to provide quality Medical Education. The culmination of the determined efforts of the trust in the field of higher medical education has borne fruit in the form of 5 educational institutions with a mission to provide compassionate and excellent quality medical services to this region of the Kanya Kumari district where there was a paucity of supply of healthcare services.

The MBBS course was started in 2006 has as annual intake of 100 students. The Medical College Hospital has 600 beds and boasts state of art facilities. Since inception, Sree Mookambika Institute of Medical Sciences has established a lead role in medical education in the state of Tamil Nadu, and with the help of its excellent faculty, has produced some of the best students in the University. Post graduate courses are offered clinical, non-clinical and para clinical subjects, except Pulmonology and Psychiatry.

In the days to come, we will endeavour to make the medical college a national benchmark in Medical Education.
